Ideas for spelling at home:

### **Spelling story.**

Can you write a short story or a few sentences using the words from the list? You could also add illustrations!

### **Book word hunt.**

Go on a word hunt in your favourite book/magazine/newspaper at home. You can search for spelling words or related terms and write down the page number and the sentence where you found them.

### **Family Spelling Words Game**

Set up a family game night where everyone takes turns picking a spelling word from a bowl and challenging each other to spell it correctly.
