

Primary 5 Home Learning Week Commencing

2/12/24

Spelling

This week's spelling pattern is the 'ea' sound. Please use the activities from the spelling grid to learn this week's spelling activities.

Core words	Mild words	Hot words
Bread	Meadow	Pleasure
Dead	Weapon	Treasure
Head	Thread	Weather
Deaf	Wealth	Measure
Heavy		
Feather		

Maths and Numeracy

This week in maths and numeracy we will be focusing on multiplication and division. We will start by using concrete materials to build different multiplication facts and finding the associated division facts. For example, if I know that $3 \times 7 = 21$, then I also know that $7 \times 3 = 21$, $21 \div 3 = 7$ and $21 \div 7 = 3$.

Please write the associated facts for the following number facts.

$$3 \times 6 = 18$$

$$6 \times 5 = 30$$

$$4 \times 2 = 8$$

$$4 \times 4 = 16$$

$$7 \times 5 = 35$$

$$12 \times 4 = 48$$

Learning Across the Curriculum

In Health and Wellbeing this week we will be looking at what makes a good friend. To demonstrate your learning, create a short job advert for the perfect friend. Think about what skills that person would need to have, what would the hours look like and what kind of experience should they have?
