

Home Learning

Term 1 September - December 2025

Home Learning will be issued **on a Monday** and where possible copies will be available on the P3 and P4 Blog as a PDF.

Reading books from the previous week will be sent home. Please return them in the bags on Friday with the other home learning. Children who have not finished their book during the week and are reading the book over more than one week will have a book to read for pleasure from the class library or Book Box.

Contents of the home learning bag for this term will be:

- Reading books from library or book box for reading for pleasure or their class reader.
- Spelling pattern/sound of the week pattern that is being learnt in class with challenges to support learning.
- A topic challenge grid that can be completed over the next few weeks.
- Maths home learning activity **or** challenge sheets 3 and 4 decide which challenge you wish to undertake and initial and date the box to remind you what you have done
- Sumdog (additional) included is Sumdog password and can be used in conjunction with home learning.

Please return home learning in the home learning bag **by Friday** of that week so that children can check and discuss the learning at Feedback time. Books will only be exchanged if they are returned to school, no new books will be issued until outstanding books are returned. I have included scrap paper and pencils in the bag to encourage the children to Home Learning. Please do not make it a battle, enjoy sharing the time with your child.

Please do not hesitate to contact me if you require support or wish to discuss home learning.
