

Primary 6 Home learning September – October 2026

Literacy

Please check out the weekly SPELLING patterns on the blog. Choose an activity to practise!

Maths

Practise TELLING THE TIME on analogue and digital 24 hour clocks.

Numeracy

Consolidate the PLACE VALUE activity sheet just the way we did in class.

Literacy

WRITING -
Enjoy creating text!
Choose your own inspiration and share it in class!

Health and Wellbeing

Complete the Skipper activities for this module!

Science

Prior to our workshops, research ENERGY SOURCES, CONSERVATION And or SUSTAINABLE ENERGY and share facts with your class!
