

P3 Home Learning Grid

READING Read your book at home with an adult. Write out some questions and answers based on your reading book for the week. You can ask an adult to help with writing out your questions but it would be great to see you writing your answers!	Meta-Skills Innovation We have been learning about our meta skills and they impact our daily lives. Innovation skills are all about using or problem-solving skills and getting creative with answers. Challenge: Wonder hunt. Go on a walk around your house or local area and ask 3 questions about the world around you. 	NUMERACY We have been learning about place value and shapes. There will be Sumdog tasks to practice place value and shape. Can you partition a 2 or 3 digit number e.g $246 = 200 + 40 + 6$ What 2D and 3D shapes can you find in the everyday?
Meta-Skills Innovation Challenge: Invent something! Invent a new product and describe what it does. Draw and label it. 	Homework Grid P3. Mathigon Polypad, SumDog and Top Marks are great online resources. These resources can help support learning and promote engagement with homework. Please date each task as you complete it. Reading – Numeracy – Spelling – HWB can be completed more than once.	Meta-Skills Innovation Challenge: Can you fix it? Choose a small problem at home e.g toys always get messy. Design a solution. How can you fix this? 
HWB Do something kind for someone. Say something nice and brighten a friend's day. How many kind acts can you fit into one day?	Meta-Skills Innovation Challenge: Challenge: fact or fiction? Find 3 interesting facts about Ancient Egypt. Ask an adult or a friend are the true or false? Fact or fiction? 	SPELLING Use your spelling menu and practice your spelling words for the week. Challenge: After writing out all of your words, can you come up with and sentences which use those words? How many words can you fit into one sentence?
