Expressive arts: create a folding dog surprise!

(EXA 0-02a, EXA 0-04a)

Step 1: Draw a long dog on a piece of paper. Pupils might like to use a ruler or something with a straight edge to match up their dog's front to the back!

Step 2: Fold the middle of the dog so that the head and back can line up.

You now have a surprise Mister Long Dog! Your dog will look normal when folded up but, when unfolded, will expand into a much longer sausage dog!
